ROOM TYPES

CUSTOM MADE FURNITURE FOR EVERY HOTEL STYLE

We design and manufacture bespoke hotel furniture for every need. Elegant, functional spaces with comfort that enhances the guest experience.

STANDARD ROOM

1

Contemporary, functional design with everything needed to ensure comfort and well-being.

SUPERIOR ROOM

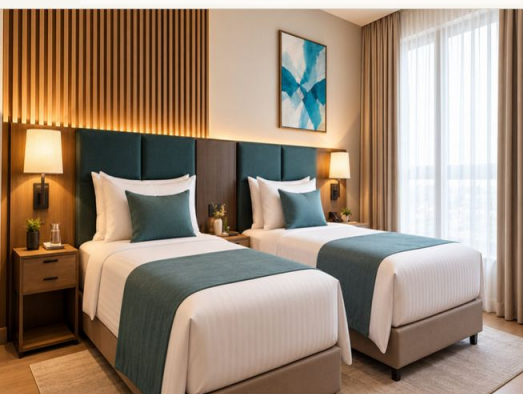

2

More generous spaces and premium finishes that bring warmth, light and a relaxing atmosphere.

EXECUTIVE ROOM

3

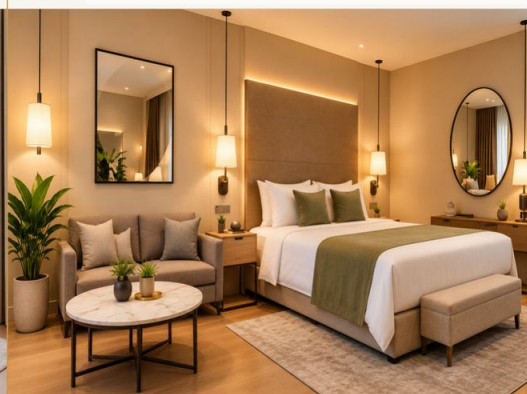

A refined, elegant setting that blends comfort, style, work and relaxation.

TWIN ROOM

4

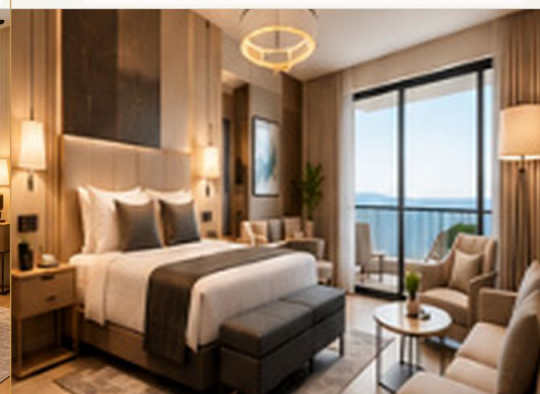

Two separate beds with the same comfort and design. Ideal for families and friends.

JUNIOR SUITE

5

More space and premium amenities for an experience of comfort and exclusivity.

SUITE

6

Generous, elegant spaces with dedicated areas for rest and relaxation.

PRESIDENTIAL SUITE

7

The highest level of luxury and personalisation, with exceptional finishes and carefully crafted details.

APARTHOTEL STUDIO

8

An integrated, functional space with a 120 cm kitchenette, ideal for medium- and long-term stays.

APARTHOTEL

9

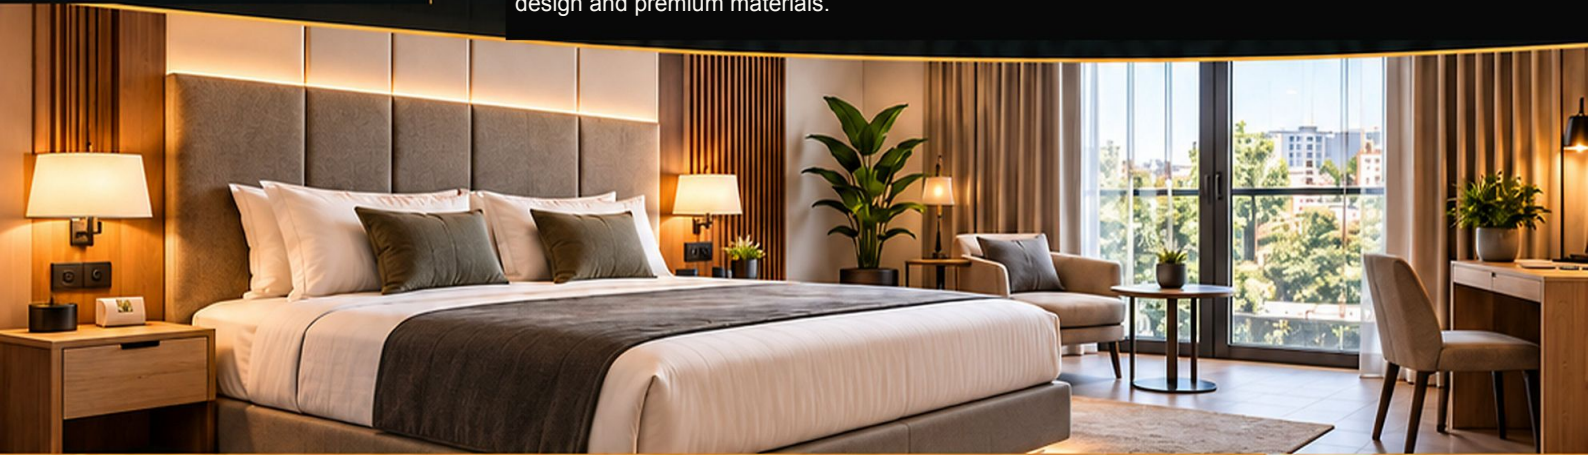

A complete solution with bedroom, kitchenette and dining/living area, to make guests feel at home.

SOLUTIONS FOR BED AND SLEEP

Innovation, comfort and hygiene for perfect rest.

We carefully select every component to ensure maximum comfort, durability and guest well-being. Our solutions combine technology, design and premium materials.

FLOATING BED

Elegant design with a floating effect and LED lighting beneath the bed, bringing lightness and refinement to the room.

A WIDE CHOICE OF BED BASES

A wide choice of bed bases in fabric, faux leather or wood. Many colours to suit every project and every hotel's style.

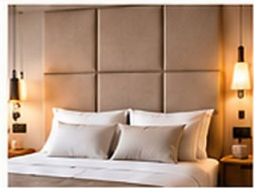

LIFT-UP BED BASE PEDAL-OPERATED OR MOTORISED

A manual pedal-operated system or a motorised version with remote control to lift the bed base easily and safely, making cleaning simpler and meeting hygiene standards.

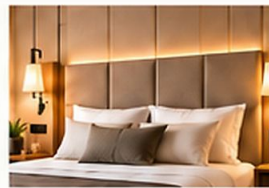

UPHOLSTERED HEADBOARDS

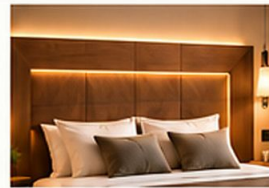

Upholstered designs in hard-wearing fabrics.

Contemporary styles with vertical stitching.

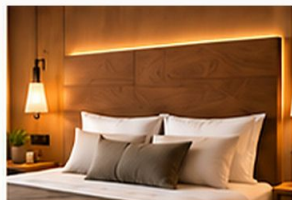

Modular panels and premium finishes.

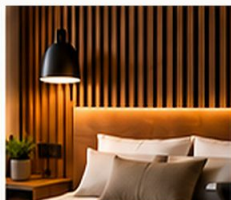

Bespoke details, textures and piping.

WOOD AND LED HEADBOARDS

Natural wood finishes with perimeter LED lighting.

Integrated indirect lighting for a warm and welcoming atmosphere.

Different wood styles and bespoke finishes.

CERTIFIED HYGIENE

Antibacterial, breathable materials that meet hygiene and safety standards.

EASY MAINTENANCE

Components designed for easy cleaning, fabric replacement and lasting durability.

ACCESSIBILITY

Solutions that meet accessibility standards and are suitable for all users.

FABRICS AND FINISHES

A wide choice of technical fabrics, patterns and durable materials, in many textures and colours, tailored to each project.

MATTRESSES, BED LINEN, CURTAINS, SHEERS, WALLPAPERS AND RUGS

We combine premium materials, design and functionality to ensure comfort, durability and refined aesthetics in every detail of your hotel project.

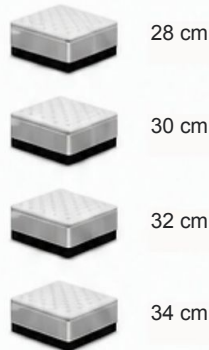

ANATOMY OF A PREMIUM MATTRESS

- 1 Premium stretch fabric with breathable fibres
- 2 High-density comfort layer
- 3 Temperature-sensitive memory foam
- 4 Independent pocket spring core
- 5 High-strength edge reinforcement
- 6 Non-slip base

MINIBARS

SOFAS, SOFA BEDS, DESKS, ARMCHAIRS, POUFS AND STOOLS

SOLUTIONS THAT COMBINE COMFORT AND STYLE

We design and manufacture furniture for spaces to rest and work. Ergonomics, functionality and quality materials create welcoming, elegant interiors.

SOFAS

Contemporary sofas with sturdy frames and durable upholstery. Optimal comfort for relaxation areas and lounges.

SOFA BEDS

Practical, elegant solutions with comfortable sleeping arrangements that retain a stylish design. Easy opening and quality mattresses for restful sleep.

DESKS

Functional, elegant desks designed for work and productivity. Various sizes and finishes for every type of room.

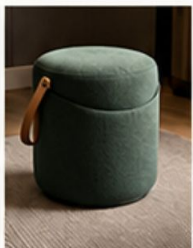

ARMCHAIRS AND CHAIRS

A wide choice of armchairs, chairs, stools and poufs.

POUFS

Versatile poufs as extra seating, footrests or decorative pieces. Many shapes, sizes and materials.

STOOLS

Stools and benches for bars, workspaces and living areas. Sturdy frames and high-quality finishes.

FUNCTIONAL AND BATHROOM FURNITURE

DESIGN, COMFORT AND FUNCTIONALITY IN EVERY DETAIL

Complete solutions for hotel bedrooms with functional furniture, premium finishes and a design that enhances the guest experience.

VANITY UNITS

MARBLE AND WOOD

Timeless elegance with a marble countertop and wooden drawers. Spacious, practical storage.

STONE AND METAL

Contemporary design in sintered stone with a metal frame and open shelving with LED lighting.

MATT LACQUER

Minimalist lines, a matt finish and a countertop basin. Wall-mounted furniture for easy cleaning.

WOOD AND TERRAZZO

Terrazzo countertop and natural wood furniture. A warm, refined style for bathrooms.

LED MIRRORS

ROUND

Round mirror with perimeter LED lighting and an anti-fog system for a soft atmosphere.

RECTANGULAR

Rectangular mirror with front and rear lighting. A modern, elegant design.

ORGANIC

A distinctive shape that adds energy and personality. Integrated LEDs provide soft lighting.

BLACK FRAME

Mirror with a black metal frame and integrated LED lighting for an industrial, refined style.

BESPOKE SOLUTIONS

The photos and products in this catalogue are just a small selection of what we offer. Our extensive range includes furniture, finishes, materials, fabrics, lighting and accessories to suit every style and hotel category. Each project is unique: we develop fully bespoke solutions for every client.

ARCHITECTURE AND INTERIOR DESIGN

Our architects and interior designers deliver complete projects, from space planning to decoration, tailored to each property's objectives.

WORKING WITH YOUR TEAM

Already working with an architect, designer or design studio? We would be delighted to collaborate with your team. Once the concepts, design and plans are defined, we prepare:

- Architectural plans
- Layout plans
- Bedroom designs
- Bathroom designs
- Common-area designs
- Technical specifications

With this information, we prepare a detailed quotation, free of charge.
